

Accessing the MoCA Training and Certification Test

- The MoCA training and certification test is free to TR-2 study personnel.
- Follow the steps below to access the MoCA training and certification test:
 1. Go to <http://mocacognition.com/training-certification>
 2. Click on "Get Certified"
 3. Login or register using your institutional email address
 - If you are registering for the first time, you will be asked who you are enrolling for. Be sure to check "Myself" and then select "Researcher" from the dropdown menu
 4. Once logged in, navigate to the "Training Certification" section located at the top of the screen
 5. Once on that page, click on "Get Free Access" to submit your individual request. You should receive a pop up window that advises you that MoCA has received your request.
 6. You will get a confirmation email from info@mocacognition.com once your request has been processed.
 7. Sign back into your MoCA account, complete the training, then take the certification test.
 8. After passing the certification test, send your downloaded certificate to your study coordinator so they can upload it to WebDCU.

Please reach out to tr2trial@mednet.ucla.edu if you have any questions!
