

Accessing BlueCloud (Healthcare Point) Trainings and Certification Tests

- The following certifications are located on BlueCloud (also known as Healthcare Point) at <https://secure.bluecloudx.com/ucla-telerehab>
 - Action Arm Research Test (ARAT)
 - Fugl-Meyer (FM) Assessment
 - Rankin Focused Assessment (RFA)
 - NIH Stroke Scale (NIHSS)
- Sign in or register using your institutional email address; if you are registering, you will make an account and create your own password
- Once you have a BlueCloud account, email tr2trial@mednet.ucla.edu so that the appropriate trainings can be assigned to you
- After completing all training components and then passing each certification, send your certificates to your study coordinator so that they can upload them into WebDCU.

NOTE:

RE-TRAINING IS NOT NECESSARY: You only need to complete the training components once.

RE-CERTIFICATION IS REQUIRED: You need to repeat certification testing according to the schedule (slide 12).

Once you have completed the training components the first time, the only thing you need to repeat thereafter is the re-Certification examinations--rewatching the training components is optional.
